

# The Swedish Institute Alumni Conclave

## Suzlon

**Suzlon One Earth** the corporate headquarters is located in Pune, India. The campus stands as a testimony to the organizational philosophy of pursuing sustainable development. A LEED Platinum and GRIHA 5 star certified building, One Earth is one of greenest corporate campuses in the world.

A tour of this building will help in reinforcing the sustainability practices of their day to day operations with the participants.

## SKF

SKF has been a leading global technology provider since 1907. Together with the Pimpri Chinchwad Municipal Corporation (PCMC) and 'NAVAM' (NGO), SKF India initiated a sports academy for under-privileged children in July 2005. It provides football and cricket coaching sessions, hockey training for girls, and recently has also initiated an all-girls football team

The participants would interact with the children's football team, followed by a cultural evening & networking session, to meet Swedish Company representatives and CSR Practitioners from Pune.

## The Red Dot Foundation

The session includes the Global Launch of the mobile app by The Red Dot Foundation (Safecity), on The International Day of Peace to raise awareness on sexual violence. The app is being released at the Posner Centre, Denver, USA in conjunction with the United Nations Foundation, Colorado and Project X-ite, a University of Denver initiative.
